~ NEW DEVELOPMENT IS IMMINENT ~ NORTHWEST QUEEN TRIANGLE ~

HELP SHAPE YOUR NEIGHBOURHOOD OPEN PUBLIC CHARRETTE

The Dufferin Street tunnel is under construction.
Peel and Gladstone Streets will be rebuilt soon.
No. 2 Gladstone Condominiums will start construction next year.
Your neighbourhood is changing quickly!
And there is no real plan in place.

Please join your neighbours, Active 18, in conjunction with
York University Faculty of Environmental Studies
as we work together to develop a **master plan** for the area
north of Queen, east of the railway and west of Northcote.

Please visit www.active18.org for background information on this study proposal.

As always...Everyone is Welcome.

WEDNESDAY NOV 18 , 2009 5:30 - 8:30 pm
The Gladstone Hotel - Ballroom, 1214 Queen Street West
